March 2025

A note from the Executive Director

Call off reminders

March madness is a game where we all test our skills against each other. These are games of skill, chance, and evaluations of your work ethic.

This year scoring will be a bit different....

Week 1	Week 2	Week 3	Week 4
23 Players	Lowest 10 players eliminated	Lowest 5 players eliminated	Lowest 3 players eliminated Highest 2 eliminated players are back in the game as wild cards!

We have worked hard to make the games as fair as possible. Your job is to read and follow the daily challenge!
